### **Sourcing paper supplies for WordStock remote/off-site credit card processing**

If you use WordStock to process credit cards at special, off-site events, such as bookfairs or readings, you use either paper debit slips for the card imprinter or thermal receipt paper for the Hypercom T7 wireless terminal.

WordStock has discontinued selling these two items because Bank of America Merchant Services now offers them directly to its Merchant Services customers; it's easier, faster, and cheaper for you to order them directly from BAMS.

Here's how to order:

1. Call Bank of America Merchant Services [BAMS], 800-627-8008 and select Option 3 – Supplies;
2. Using your phone's keypad, enter your BAMS Merchant ID number and press the # key;
3. Enter your 5-digit zip code and press the # key.
4. You will speak with an operator before being connected to the supply line..
5. The two paper supplies used are:
  - Debit Slips: Item #SD-59252 / 2-part short forms, 100 slips/package
  - Thermal paper for Hypercom T7 Plus: Item #12PT7PTH, 12 rolls/pack
